

## New Nursery Package 'Establish'

Consultancy Packages are designed to provide you and your team with all the support and advice you need to ensure that you are conforming to the Registration process, EYFS and OFSTED/Quality/Regulatory and Safeguarding Requirements when opening a new nursery.

The 'Establish Package is designed for start up settings who aspire to becoming a  
'Flagship Outstanding Setting'  
'A Leader in the Early Years Sector'

The Packages are designed to be enable you to have all the benefits of an Early Years Consultant without the permanent employee costs, therefore a fraction of the price.

This following is a sample of the '**Establish**' Package,  
we aim to bespoke our services to the client therefore this is flexible:

- A consultation meeting with the owners to establish the vision and start the registration process.
  - Support with registration with OFSTED and other regulatory body and insurances etc.
  - Recruitment advice, support and interviewing support.
  - Support on implementation of policies and procedures.
  - Advice and support in planning the nursery rooms and creating and developing an inclusive environment.
  - Induction support for new employees.
  - Advice and support on multi-agency working and advertising to engage new children and families into your childcare establishment.
- 
- 1, 2 or 3 year contract available.
